

Ruben ten Cate

SOFTWARE DEVELOPMENT STUDENT

Software development student currently completing a Swiss CFC in Computer Science. Interested in software engineering, automation, web development and problem solving. Developing practical skills in Python, JavaScript, SQL and C# through academic projects and personal learning. Previous experience in finance, education, healthcare and pharmaceutical quality assurance has strengthened my analytical thinking, communication skills and ability to adapt quickly to new environments.

EXPERIENCE

Financial Planner

Jul 2024 – Aug 2025

Swiss Life Select — Yverdon-les-Bains, Vaud

- Advised private clients on financial planning, pension provision and insurance solutions.
- Developed analytical and problem-solving skills by assessing client needs and proposing tailored solutions.

Activity Coordinator & Caregiver — Civil Service

Jul 2023 – Jul 2024

St-Joseph Care Home · Réseau Santé Veveyse — Châtel-St-Denis

- Completed a full 365-day Swiss civil service assignment in a residential care home.
- Organized activities and provided daily support while collaborating with multidisciplinary teams.

Substitute Teacher

Dec 2020 – Jan 2023

Blonay–St-Légier School District — Vaud

- Delivered more than 350 hours of teaching across primary and secondary education.
- Adapted quickly to new classes, subjects and responsibilities, often on short notice.

Quality Assurance Intern

Summers 2017 & 2018

Ferring Pharmaceuticals — Saint-Prex

- Supported quality assurance administration and documentation in a regulated pharmaceutical environment.
- Created and maintained structured Excel databases to improve data organization and accessibility.
